- Listening carefully to students, parents and teachers is crucial to achieving successful outcomes.
- Our curriculum should always be broad, balanced and enriching.

A brief personal one

My wife and I have two children

We live in Bournemouth

We enjoy a “normal” busy family life!

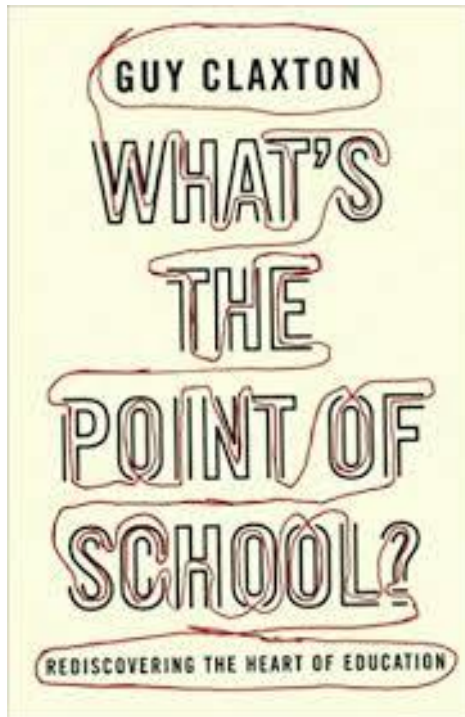

We are part of Citygate Church in Bournemouth,
where I am a Director & Trustee

Our Challenge

To inspire the community of All Saints School to embrace the fullness of life.

“I have come that you may have life, life to the full”
(John 10:10)

What does “the fullness of life” mean?

WHY do we need
school?

Music:
we have **YOUTUBE** for that
Sport: There's a **wii**
Spanish: There's **Dora**
English: everything's
shortened anyway. (**LOL, BRB, IDK**)
MATH: That's why we have
calculators
GEOGRAPHY: I'll buy a **globe.**
HISTORY: they're all dead
anyway

What is important for students?

Doing well in their end of year and GCSE exams?

Taking part in extra – curricular trips and visits?

Getting involved in music or drama performances?

Representing their school in a sport they enjoy?

Making lifelong friends who know them well?

Giving something back to their community?

Acquiring knowledge that no-one can ever take away?

Essential pieces

THE JIGSAW OF A SUCCESSFUL SCHOOL

By Professor Tim Brighouse

Matthew 9:17 New International Version (NIV)

17 Neither do people pour new wine into old wineskins. If they do, the skins will burst; the wine will run out and the wineskins will be ruined. No, they pour new wine into new wineskins, and both are preserved.”

My Challenge

To encourage **every student** to be the best version of themselves possible

My priorities from 3rd June

1. To meet staff, students, parents and carers
2. To listen and to learn about life at All Saints
3. To improve teaching, learning and assessment pedagogy and practice in order to secure the basics
4. To prepare for 2019-20 AAT & SIAMs inspections
5. To work with leaders at all levels to review school systems: curriculum, behaviour, staffing, finance, CPD, safeguarding, student voice, site management ...

Parents & Carers: how you can help us

- **Communicate** with us promptly about anything during this transition period if you need to
- Make sure your son or daughter **attends** every day unless absolutely necessary
- Send your son or daughter in to school smartly dressed in the correct **uniform** and with the correct **equipment**
- Support our use of **rewards, sanctions** and the setting of **homework** to promote learning
- **Talk positively with your son or daughter about their day!**
