**“I have come that you may have life, life to the full.”
(John 10:10)**

Our Mission is to inspire the community of All Saints School to embrace the fullness of life.

If there are any 'Safeguarding' issues that arise from the implementation of this policy then they should be dealt with in accordance with the school's Safeguarding policy. This policy may be found on the school website or accessed via the school office. Any emergency should be referred directly to the school by telephone or in person for the attention of the Designated Senior Person for Child Protection.

This policy should be read in conjunction with the Single Equality Policy. The general equality duty requires that, in the exercise of their functions, schools must have due regard to the need to eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Equality Act 2010. This school endeavours to advance equality of opportunity and foster good relations for all. This Policy has been reviewed in line with the 9 principles set out in the Single Equality Policy and an initial screening Equality Impact Assessment has been carried out.

STATEMENT ON GOVERNORS ALLOWANCES

Having discussed the payment of Governors allowances, and being aware that governors may incur out of pocket expenses in carrying out their duties; the governing Body has nevertheless decided not to pay allowances to members at this time.

The application of this policy could be reviewed on an individual basis if it is felt that it would prevent a governor from being able to attend meetings.

This decision will be reviewed annually.
