Consultation on the proposal to change the Admissions Arrangements for 2019-2020

As the admissions authority for All Saints CE School, Weymouth the Governors are consulting on proposed changes to the school's admissions arrangements for 2019 onwards for a 6 week period between 4 December 2017 and 14 January 2018.

The Proposal

Parents can apply to have their child's name placed on a waiting list held only for a period of one term following refusal. If parents wish to keep a child on a waiting list beyond the first term they will need to write in for an extension of another term. Parents must request to go on the waiting list in writing to School Admissions.

It is not intended to change the oversubscription criteria or PAN. The admissions policy is in line with the Schools Admissions Codes.
